After leaving Geneva airport follow the Green signs to FRANCE.
After 10 minutes you will arrive at the Swiss/French border. After crossing the border you need to Follow the signs for Annecy, Chambéry, Albertville, Moutiers, Bourg St Maurice.

The best and easiest way to get to resort is driving on the motorway. To do this you need to follow the blue sign posts. NOT the green as this is the route national, and will take you through all the towns mentioned above.

From **Bourg St Maurice**, take the signs for **Haute Tarentaise**, and then follow signs for **Val d'Isère**.

After around half an hour, you will reach the village of La Daille. Continue until you reach Val d'Isère.

After 200 metres you will arrive at a roundabout (supermarkets on your left and right). Drive straight on.

At the second roundabout, turn right. You will drive through a tunnel and arrive at the Solaise area. Continue straight on.

After 150 metres, the road bends round to the right – you go straight on – signed to La Legettaz.

Continue up that road as far as you can go: The Le Chardon Mountain Lodges are at the end of the road.

Welcome to le Chardon!

Please do not try to arrive in resort using any of the following mountain passes as they are closed for the winter.
